

NOTICE OF KEY DECISION

<p>ITEM FOR CONSIDERATION</p>	<p>Parkside Link Road and Land Acquisition</p> <p>The "Parkside Link Road Project" is a significant transport project for the Liverpool City Region. The Project is in the borough of St. Helens adjacent to the M6 motorway.</p> <p>It comprises the construction of a new 3.3 km link road of single/dual carriageway and realigned highway, with junctions. It will provide appropriate access from M6 Junction 22 and the local road network to the proposed Parkside Regeneration development. The project also includes land acquisition to deliver the Parkside Link Road.</p> <p>The new link road will include provision for a cycle way / footway and accesses for future developments.</p> <p>The Combined Authority is currently appraising a Full Business Case application from St Helens MBC (SHMBC) for SIF funding to support the delivery of the project.</p>
