ACCESS TO SUBSIDISED SKILLS TRAINING

Skills Bootcamps for the Workplace provide flexible hands-on courses lasting up to 16 weeks, which are part of the Government's Levelling Up and Lifetime Skills Guarantee.

Skills Bootcamps will help you play a leading role in the skills system by filling skills gaps at a local level.

The programme is funded by the Department for Education and developed locally by the Liverpool City Region Combined Authority (LCRCA), working closely with local employers.

We are currently accepting registrations of interest from employers with training and/or recruitment requirements in the following sectors*:

*other courses are available in the sectors

WHAT YOU'LL GET

Opportunities to work with LCRCA and training providers to input into the design and development of Skills Bootcamp training so that it meets the individual needs of your organisation.

Looking to recruit new talent?

Access to new external candidates, freshly trained in the skills you require.

Upskilling existing employees:

- 90% of the skills training funded if you are an SME
- 70% of the skills training funded for larger employers
- Existing employees who feel valued, with new skills to implement into your organisation.
